If You're a Robot and You Know It

If you're a robot and you know it,
clank your claws.

If you're a robot and you know it,
clank your claws.

If you're a robot and you know it, and
you really wanna show it.

If you're a robot and you know it,
clank your claws.

**Say beeeeeeeep boooooop, push
your buttons, do the robot, do all
four.**

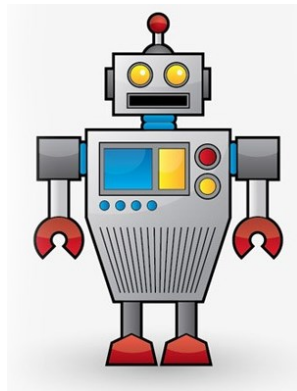

Lights on the Robot

Tune: Wheels on the Bus

The lights on the robot
blink on and off,

on and off, on and off.

The lights on the robot
blink on and off,
all around the rocket ship

Robot, Robot

Robot, robot,
Turn around.

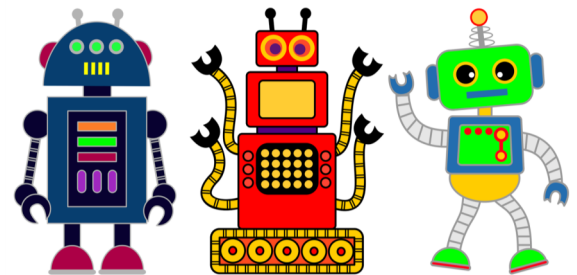

Robot, robot,
Touch the ground.

Robot, robot,
turn left and right.

Robot, robot,
flash your lights.

Robot, robot,
bloop and bleep.

Robot, robot,
Go to sleep.

I Am a Robot

Tune: I'm a Little Teapot

I am a robot, big and tall.

Stand me up against the wall.

Wind me, wind me with a key.

Now I'm ready, don't you see?

Walk, walk, stiff and slow.

That is how the robots go.

Walk, walk, in the town.

Oh, I hope I won't run down.

Slow, slow, I'll have to stop.

I've run down and so, ker--plop!
